25X1 4. [] Mr. Warner sat in on the House Rules Committee hearing on our early retirement legislation.

25X1 5. [] Talked with Robert Michaels to see about the situation of [] He indicated Mahon was still urging Cannon to hold a meeting of the Subcommittee. Mahon pointed out that approximately [] was retained by the conference which would in fact be applicable to the [] having the effect of lessening the total amount DOD presumably would have to absorb.

25X1 6. [] Talked with Robert Michaels concerning the investigation being conducted by the Appropriations Committee of the counterinsurgency function in DOD. Michaels indicated that the Committee had intended that this investigation be restricted to DOD only. However, if any approaches were made to the Agency, either direct or indirect, this matter should be brought to the Committee's attention for appropriate solution.
